Answer

MINISTER OF STATE FOR LABOUR AND EMPLOYMENT (SHRI HARISH RAWAT)

(a) & (b): Details of the proposal received from various States for setting up of new ESI Hospitals and emergency centres is as under;-

Chhatisgarh - Setting up of hospital at Bhilai, Koirba, Raigarh and Raipur.

Kerala - Setting up of three hospitals and three emergency centres in the State. The details are as under.

Sl.NO.	District	Place	Typo of Institution
--------	----------	-------	---------------------

1.	Trivandruna	VizhiBij@n/Balarampuram	200 bedded
----	-------------	-------------------------	------------

2.	Alappuzha	Cherthals	50 bedded
----	-----------	-----------	-----------

3.	Palakkad	Kanjikkode	50 bedded
----	----------	------------	-----------

4.	Kollam	Keralapuram	Emergency Centre
----	--------	-------------	------------------

5.	Malappurant	Malappmram	Emergency Cetnre
----	-------------	------------	------------------

6.	Kasargode	Kasargodft	Emergency Centre
----	-----------	------------	------------------

(c): The ESI Corporation has laid down norms based on the number of Insured Persons in the area for setting up of hospitals / dispensaries / diagnostic centres. The places proposed for setting up of hospital / emergency centres in Kerala do not qualify (for the setting up of new ESI hospitals/emergency centres) as the number of Insured Persons in the area is less than the norms or there is already an existing hospital nearby. The proposal of Government of Chhattisgarh would similarly be decided as per laiid down norms.
